

IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT

Construction Activities Update April 1 – April 12

PLEASE BE ALERT! Traffic control is in place for your safety.

What's Happening in the Next 2 Weeks (April 1 - April 12)?

Day Shift

- Continue/complete tree & brush removal on the westbound (toward Monterey) side of Imjin Parkway.
- Continue/complete installation of silt fence at project limits.
- Begin demolition of existing roadway section on westbound Imjin Parkway lanes (behind the concrete barrier).
- Preston Drive: grading/earthwork, excavation/installation of sanitary sewer pipe, begin excavations for soundwall and retaining wall.
- Continue installation of permanent fencing for mitigation site.
- Begin grinding/removal of existing pavement behind the concrete barrier.

Night Work

- **No night work** is anticipated in the next 2 weeks.

Anticipated Impacts – Increased truck traffic to transport pavement grindings

Future Construction Activity and Information: What's Planned in the Future?

- Construction of retaining walls and sound walls at Preston Avenue and Abrams Drive
 - Work will continue to grind and remove the existing roadway on the westbound side (behind the concrete barrier).
-

Activities During the Week of March 25 - 29

- Contractor completed striping, signage, installation of concrete barrier and temporary signals, and pothole paving on Imjin Parkway.
- Work on tree and brush removal continued on the westbound side of Imjin Parkway.
- Installation of perimeter silt fence at the project construction limits continued on the westbound side of Imjin Parkway
- Continued installation of permanent fencing required to limit access and protect habitat areas in the mitigation site

Please Note: The enforceable speed limit through the construction zone is 25 MPH. Preston Drive will be closed at Imjin Parkway until August of 2024.

IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT

Night work - grinding pavement in pothole locations

Night work - new pavement in pothole locations

Grinding and removal of old roadway pavement

Earthwork operations near Reservation Road - cutting and filling dirt to achieve grades for new roadway

How to Stay Informed
