

IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT

Construction Activities Update April 26 – May 10, 2024

**PLEASE BE ALERT! Traffic control is in place for your safety!
The enforceable speed limit through the construction zone is 25 MPH.
Preston Drive will be closed at Imjin Parkway until August of 2024.**

What's Happening in the Next 2 Weeks (April 26– May 10)?

Day Shift

- Finish installing the silt fencing at the project limits.
 - Continued demolition of the existing roadway section on westbound Imjin Parkway lanes (behind the concrete barrier).
 - Continue work at Preston Drive will include additional grading and earthwork activity; and starting installation of the soundwall and retaining wall.
 - Installation of underground utilities for street lighting, between at Reservation road and Preston
 - Finish installation of permanent fencing for the mitigation site.
 - Installation of underground utilities for storm drains, street lighting, or Fiber conduits.
 - **NOTE: Night work has been completed. Expect Increased truck traffic transporting equipment for construction activities. Weather conditions may also affect work at various locations in the area.**
-

Future Construction Activity and Information: What's Planned in the Future?

- Construction of retaining walls and sound walls at Preston Avenue and Abrams Drive.
 - Continued work removing and restriping the existing roadway on the westbound side (behind the concrete barrier).
 - Continued earthwork and grading for new widened roadway
 - Continued installation of underground utilities for Sanitary sewer, storm drains and street lighting conduits
-

Activities That Took Place During the Week of April 22 - 26

- Finished tree and brush removal on the westbound (toward Monterey) side of Imjin Parkway.
- Installation of the perimeter silt fence at the project construction limits on the westbound side of Imjin Parkway.
- Continued installation of the permanent fencing and gates required to limit access and protect habitat areas in the mitigation site.
- Continued demolition of the existing roadway pavement section on westbound Imjin Parkway lanes (behind the concrete barrier) from Preston to Abrams.
- Continued earthwork/grading operations from Reservation Road up to Abrams.

IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT

- Continued removal of abandoned utilities within the projects grading work.
- Started installation of retaining wall and sound wall, just West of Preston Drive.
- Started prepping for installation of retaining wall at Abrams.
- Started installation of underground storm drain pipe and structures just West of Reservation Rd.
