

## IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT

---

### Construction Activities Update

May 6 – May 17, 2024

---

**PLEASE BE ALERT! Traffic control is in place for your safety!**  
**The enforceable speed limit through the construction zone is 25 MPH.**  
**Preston Drive will be closed at Imjin Parkway until August of 2024.**

---

#### What's Happening in the Next 2 Weeks (May 6 – May 17)?

##### Day Shift

- Finish installing the last few locations of the silt fencing at the project limits.
  - Continued demolition of the existing roadway section on westbound Imjin Parkway lanes (behind the concrete barrier).
  - Continued work at Preston Drive will include additional grading and earthwork activity and continuing installation of the soundwall and retaining wall.
  - Installation of underground utilities for street lighting, between Reservation Road and Preston Drive.
  - Finish installation of permanent fencing for the mitigation site.
  - Installation of underground utilities for storm drains, street lighting, and fiber conduits.
  - **NOTE: Night work for a sanitary sewer tie-in will be scheduled for later this month (potentially 5/20/2024). Expect increased truck traffic transporting equipment for construction activities.**
- 

#### Future Construction Activity and Information: What's Planned in the Future?

- Construction of retaining walls and sound walls at Preston Drive and Abrams Drive.
  - Continued work removing the existing roadway on the westbound side (behind the concrete barrier).
  - Continued earthwork and grading for the new widened roadway between Reservation Road and Imjin Road.
  - Continued installation of underground utilities for sanitary sewer, storm drains and street lighting conduits.
- 

#### Activities That Took Place During the Week of April 29 - May 3

- Continued installation of the perimeter silt fence at the project construction limits on the westbound side of Imjin Parkway.
- Continued installation of the permanent fencing and gates required to limit access and protect habitat areas in the mitigation site.
- Continued demolition of the existing roadway pavement section on westbound Imjin Parkway lanes (behind the concrete barrier) between Abrams Drive and Imjin Road.
- Continued earthwork/grading operations from Reservation Road up to Abrams Drive.
- Continued removal of abandoned utilities within the projects grading work.
- Placed concrete for retaining wall and sound wall footings just west of Preston Drive.
- Continued installation of underground storm drain and structures just west of Reservation Rd.
