

IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT

Construction Activities Update: June 23 – July 4, 2025

PLEASE BE ALERT!

Traffic control is in place for your safety!

Recommended speed through roundabouts (during construction) is 15 MPH

The enforceable speed limit through the construction zone is 25 MPH

- **Abrams Drive (south) - closed at Imjin Parkway until early August.**
- **Imjin Pkwy to Reservation Road – double right turn has been reduced to one lane.**
- **Christina Williams Memorial – access is by escort only (info included at end of update and on the project website)**

What's Happening in the Next 2 Weeks (June 23 – July 4)

Day Shift

- Fine grading for base rock for south side of Imjin Parkway roadway section from the Shell Station driveway to Preston Drive (including Abrams Drive (south)).
- Continue installation of underground facilities (e.g. storm drain, streetlight electrical conduit, fiber optic conduit, and irrigation piping) at Abrams Drive (south).
- Form, and place concrete for roundabout curbs and truck apron for Abrams Drive (south) roundabout.
- Grade, form, and place concrete for sidewalks and driveways between Army Reserve (south) and Preston Drive.
- Close Abrams Drive (south) driveway access to Shell station on 6/23. Grind out remaining existing pavement, complete grading, construct new driveway, and re-open access on July 11.
- Place curb and gutter, and median curb on Abrams Drive (south); median curb at Imjin Road (north roadbed); and Imjin Parkway between Abrams Drive and Reservation Road.
- Complete installation of fiber optic and streetlight conduits at Imjin Road.
- Earthwork/grading and install base rock on north roadway section between Retaining Wall 1 and Imjin Road.
- Continue environmental monitoring of contractor activities job wide.

Night Shift – No night work scheduled.

Activities That Took Place Last Week (June 16 – June 20)

- Began forming/placing concrete for sidewalks along Imjin Parkway between Reservation Road and the Army Reserve driveway.
- Began installing streetlight foundations between Reservation Road and the Army Reserve driveway.
- Continued earthwork/grading for south roadway section between Shell station driveway and Chapin driveway.
- Continued installing base rock for south roadway section between Abrams Drive (south) and Chapin driveway.
- Form and place concrete for future artwork foundations at Abrams Drive roundabout
- Install foundations for future artwork for Abrams Drive roundabout.
- Began installing irrigation service lines to service the Abrams Drive area.
- Began installing storm drain pipe at Abrams Drive.

IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT

- Completed electrical tie-in for median lighting between Preston Drive and Reservation Road and between Imjin Road and east of Marina Heights Drive.
- Continued installation of bioswales between Marina Heights Drive and Abrams Drive.
- Resumed fiber optic conduit installation near Imjin Road.

Future Construction Activity and Information: What's Planned in the Future?

- Complete embankments and rough grading for roadways by end of June.
- Coordinate PG&E work at Abrams Drive.
- Re-open Abrams Drive (south) in August.
