

IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT

Construction Activities Update: August 11 – August 22, 2025

PLEASE BE ALERT!

Traffic control is in place for your safety!

Recommended speed through roundabouts (during construction) is 15 MPH

The enforceable speed limit through the construction zone is 25 MPH

- **ROUNDABOUTS ARE COMING ON 8/22/2025.** Details are noted below.
- **Imjin Parkway to Reservation Road – double right turn has been reduced to one lane.**
- **Christina Williams Memorial – access is by escort only (info included at end of update and on the project website).**

What's Happening in the Next 2 Weeks (August 11 – August 22)

Day Shift

- Complete forming/placement of concrete for the remaining section of driveway entry at the Army Reserve and Chapin yard.
- Complete finish grading and pave first layer of asphalt on Imjin Parkway (north side) near Imjin Road.
- Perform layout and striping for new alignment on Imjin Parkway (north and south sides).
- Re-position concrete barriers and delineators to transition traffic to new alignment utilizing all 4 roundabouts (see night shift below)
- Continue planting landscape materials (native plants and trees) from Preston Drive toward Abrams Drive.

Night Shift – Night work is scheduled for **August 21st from 6:30PM – 5:00AM**. Imjin Parkway will be closed from Reservation Road to California Avenue. Work during this night shift will include striping along the length of Imjin Parkway and relocating concrete barrier rails & delineators to transition traffic to single lane roundabouts at all intersections. Impacts will be increased noise from trucks and equipment moving concrete barriers, large trucks utilized by the striping crews, and some additional lighting from temporary light plants. Access for emergency vehicles will be provided as needed.

On August 22, Imjin Parkway and all roundabouts will be open in a single-lane configuration.

Activities That Took Place Last Week (August 4 – August 8)

- Completed first layer of asphalt paving from Abrams Drive (south) to Reservation Road.
- Paved driveway areas at the Army Reserve and Chapin yard.
- Completed forming/placement of concrete for the curb, gutter and sidewalks at driveway entry to the Army Reserve.
- Continued placing concrete for median in-fills and sidewalk at Abrams Drive (south).
- Continued forming/placing concrete for median curb tie-ins between Abrams Drive (south) and Reservation Road.
- Continued installing landscape irrigation elements near Preston Drive (south).
- Continued installing native plants in landscape areas between Preston Drive and Abrams Drive.

IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT

Future Construction Activity and Information: What's Planned in the Future?

- Continue coordination with PG&E for their work at Abrams Drive (south). PG&E has plans to relocate some equipment that conflicts with our construction at Abrams Drive (south) and the operation of the roundabout at this location. The schedule for this work is driving our schedule for the completion of Abrams Drive.
- **August 22, Imjin Parkway and all roundabouts will be open in a single-lane configuration.** This will allow space for the remaining work to be performed while getting everyone acquainted with navigating the roundabouts prior to introducing the 2-lane [final] configuration. Information (video clip) on how to drive roundabouts can be found on our website www.imjinparkway.com.
- Begin work to install permanent pavement and curb & gutter in areas where temporary pavement was installed to maintain 2 lanes of traffic on Imjin Parkway (see Phase 3 “magenta” areas on attached graphic).

Concrete and "tactile domes" (yellow bumpy plates) for pedestrian crossing at Abrams Drive (south)

How to Stay Informed

- Please visit the project website at www.imjinparkway.com or contact Edrie De Los Santos (City of Marina) at 831.884.1212
- **For access to the Christina Williams Memorial** please contact:
 - Conner Schivo (MPE) 831-277-0137 OR
 - Michaelle Mowrey (City) 831-884-1212

Thank you for your patience and for observing safety speed limits!
